

Elementary Curriculum Syllabus

5th Grade

Dear Coppell ISD Families,

As we begin the 2025–2026 school year, we are excited to share the grade level syllabi with you. These documents outline the grade level state standards and major units of study specific to your child's grade. They are designed to foster transparency and support a strong home-school partnership.

At Coppell ISD, our core values guide everything we do. The syllabi reflect our continued commitment to:

- Redefining Success
- Authentic Relationships
- Great Teaching and
- Engagement

Digital copies of the grade level syllabi are now available on our district and campus websites. If you prefer a paper copy, please contact your child's educator, and one will be provided upon request.

Thank you for your continued partnership in supporting your child's learning journey. We look forward to a fantastic school year together.

Warm regards,

Coppell Independent School District
